

The Brighton and Hove Property Consortium in association with Colin Brace Properties presents

## The 'Seven Port Challenge' Charity Cycle Ride 2019

In aid of the Mayor's Charities

Thursday 2nd to Sunday 5<sup>th</sup> May 2019

[www.7portchallenge.co.uk](http://www.7portchallenge.co.uk)

## SPONSORSHIP OPPORTUNITIES

Chris Oakley, Oakley Property Testimonial:

*"2018 was our third year as sponsor of the Brighton & Hove Property Consortium's Charity Cycle Ride. From a sponsorship point of view, the event has without doubt raised the profile of our business in the local community and enabled us to network with business contacts we may not have necessarily come across, if I hadn't literally got on my bike and got out there!"*

**Sponsoring** the Seven Port Challenge charity cycle ride provides you with the unique opportunity to connect with the Brighton & Hove property and construction community, to build brand awareness and fulfil your corporate social responsibilities by supporting local charities.

### ABOUT THE EVENT

We are a consortium of local property professionals who have created an annual cycling event to raise funds for locally based charities.

Our members and cyclists are successful property professionals who have decided they would like to give something back to the city and raise awareness of organisations who can benefit from our support.

The event takes place from Thursday 2<sup>nd</sup> May and returns into New Road, Brighton on Sunday 5<sup>th</sup> May. Setting off from Brighton's seafront the team will cycle via Shoreham Port and then onto Portsmouth where we catch the ferry to Caen. We will be cycling approximately 180 miles over 4 days through the picturesque Normandy countryside and via Honfleur and Fecamp to arrive in Dieppe for the final leg back to Newhaven and then into Brighton. We will cycle back into Brighton on Sunday 5<sup>th</sup> May to a huge welcoming crowd as an official event as part of the Brighton Fringe Festival. The event will be wrapped up with an after party including live music entertainment, food and drink in the Spiegel Garden.

Our sights are already set on the 2020 challenge '**Invictus Brighton**' for the following year where we are intending to cycle to The Hague for the Opening Ceremony of the Invictus Games (<https://www.invictusgames2020.nl/>) with the endorsement of the games founder, HRH The Duke of Sussex Prince Harry.

We anticipate that the Invictus Brighton 2020 event will be very popular and preference for the Invictus Brighton 2020 event will be given to cyclists and sponsors who have taken part in the 2019 event which we see as the rehearsal for The Hague. There will be a heavy emphasis on promoting the 2020 event as part of 2019, so if you would like to be a part of this, please let me know. The website for the event is: [www.7portchallenge.co.uk](http://www.7portchallenge.co.uk).

Throughout our journey, we will be meeting with various Mayors and dignitaries of the towns and cities we pass through and promoting cross channel relations with our European counterparts.

## MEDIA COVERAGE

The lead up and the event will be publicised by both national and local media and The Latest TV Group who are our media partners. A film crew from Latest TV will accompany the cyclists throughout the event documenting their progress and profiling the sponsors involved. The event will also be publicised throughout the Brighton Fringe Festival.

Lewis & Co Planning South East Limited Testimonial:

*"We have thoroughly enjoyed taking part in the Mayor's Charities cycle rides for the last three years. The various charities that have benefitted from the bike rides are close to our hearts, and it is great to see how much money can be generated when many companies work hard together.*

*On a professional note, the cycle rides have been a great way to make new contacts within the property industry, and to reinforce existing contacts. Spending two or three days in everyone's company, and helping each other out, is a very positive experience. On a personal note, the cycle ride has inspired new levels of fitness within Lewis and Co Planning. We can't vouch for any productivity improvements, but our waistlines have benefitted!"*

## SPONSORSHIP OPPORTUNITIES

The following information outlines details of what a partner organisation can expect to receive as official sponsors of this exciting charity cycle event.

Simon Pilbeam, Pilbeam Construction Testimonial:

*"The Brighton & Hove Property Consortium's charity cycle events of the past two years has provided a wonderful opportunity for the business and our staff on so many fronts. Firstly, and most importantly, it has given the Company and our staff a great opportunity to contribute to a number of very worthwhile charities, providing help towards making the lives of those who are less fortunate than ourselves a little better and, hopefully, raising their profile at the same time. However, all participants have benefited from an amazing camaraderie between all those involved in the ride. It really has been a wonderful experience meeting those that we know from within the industry on a different level, as well as meeting new colleagues and gaining new connections. On top of that, we have met some truly generous and interesting people who commit a huge amount of their time and energy to good causes.*

*All those reasons above, together with the enjoyment of participating, seeing some lovely towns and countryside and a great sense of personal achievement have ensured these events are not to be missed."*
